

On-Line Courses Satisfying Upper Level Biomedical Science Requirement for Iowa State University College of Veterinary Medicine

Doane University

https://www.doane.edu/lp/open-learning.html?source=google&medium=ppc&campaign=597920817&adgroup=97851788125&keyword=doane%20university%20online&creative=428106285530&r_source=Web-CPS-google-ppc&gad_source=1&gclid=Cj0KCQjw8MG1BhCoARIsAHxSiQmrem_6bdzcub_KH8kD-WeaLmj6mcGPqVM06mjFXNde2l1wf7fyhbgaAi4uEALw_wcB

BIO 313 - Microbiology
BIO 314 – Human Anatomy
BIO 324 – Human Physiology
BIO 344 – Immunology
BIO 354 – Histology
BIO 363 – Molecular Biology

University of New England

<https://online.une.edu/science-prerequisites/courses/>

BIOL 1030 – Pathophysiology
BIOL 1050 – Cell Biology
BIOL 1055 – Molecular Biology
BIOL 1060 – Immunology
HSTL 1010 – Histology
PHSL 1010 – Medical Physiology

Colorado State University

<https://www.online.colostate.edu/certificates/post-bac-pre-health/courses.dot>

BMS 300 – Principles of Human Physiology
BMS 310 – Anatomy for the Health Professional
BMS 320 – Virtual Laboratory in Physiology
MIP 300 – General Microbiology
VS 331 – Histology
VS 333 – Domestic Animal Anatomy

Portage Learning Center (Geneva College)

<https://portagelearning.edu/>

BIOD322 – Neuroscience

BIOD331 – Pathophysiology

BIOD351 – Pharmacology

UC San Diego Extended Studies (note units of these courses are in quarter units)

<https://extendedstudies.ucsd.edu/courses-and-programs/basic-sciences>

BIOL-40376 - Cancer Biology

BIOL-40358 - Cell and Molecular Biology

BIOL-40371 – Immunology

BIOL-40329 – Introductory Pharmacology

BIOL-40617 – Pathophysiology of Human Disease

BIOL-40384 - Virology
