

POSITIVE COVID-19 COMMUNICATION WORKFLOW FOR GRADUATE/POSTDOC/RESEARCH

Please follow this workflow when a Graduate Student, Post Doc or research lab personnel tests positive for COVID-19.

Thielen or confidential self-disclosure made to supervisor (likely PI)

PI sends confidential notices to:

- Lab personnel
- Department Chair
- Dr. Qijing Zhang
- Dean Grooms and Dave Gieseke

Message to be delivered:

- i. The College of Veterinary Medicine has received notification of a positive COVID-19 case within this unit
- ii. ISU Public Health Team is working with faculty/staff member to determine potential contacts
- iii. ISU PHT may be contacting you
- iv. In meantime, self-monitor, take precautions

ISU PUBLIC HEALTH TEAM

Will contact

Positive individual and provide guidance and information

CONTACTS

After speaking with positive person, ISU Public Health Team:

Will contact those who were in close contact with the positive person and provide guidance in accordance with CDC guidelines
