

POSITIVE COVID-19 COMMUNICATION WORKFLOW FOR VM1-VM3 STUDENTS

Please follow this workflow when a student tests positive for COVID-19.

Notices from Thielen or confidential self-disclosure to be made to OASA (Dr. Jared Danielson and Dr. Monica Howard)
Self-disclose a positive test at <https://health.iastate.edu/>

OASA sends confidential notices to:

- Department Chairs
- Dean Grooms and Dave Gieseke

OASA sends confidential notice to student's instructors for in-person classes/labs

Message to be delivered:

- i. The College of Veterinary Medicine has received notification of a positive COVID-19 case within this unit
- ii. ISU Public Health Team is working with faculty/staff member to determine potential contacts
- iii. ISU PHT may be contacting you
- iv. In meantime, self-monitor, take precautions

ISU PUBLIC HEALTH TEAM

Will contact

Positive student and provide guidance and information

CONTACTS

After speaking with positive person, ISU Public Health Team:

- Will contact those who were in close contact with the positive person and provide guidance in accordance with CDC guidelines
