Veterinarian Position at Western Veterinary Services with an opportunity for couples and ownership

Do you have a passion for serving rural clients with full-service medicine? Are you someone who dreams of joining a team dedicated to professional and personal development? Look no further!

Location

We have 2 offices in Western SD. The primary office is in Kadoka and the satellite office is in Philip. We are located half way between the Missouri River and the beautiful Black Hills along I-90.

Practice Overview

Established in 1978, WVS is a second-generation practice originating with the retiring veterinarians, Drs. Bill and Norma Headlee and carried on by their daughter, Corale. We are passionate about taking care of our clients, our community, and our team. We believe in serving our communities through personalized service in a clinic-based setting. We have an updated facility with all the bells and whistles from ultrasound and digital x-ray to surgery suites with gas anesthesia and in-house blood work. We also have hydraulic chutes and trim tables, padded equine surgery room and stocked vet trucks with Bowie boxes. Also, our clients bring the individual animal cases to the clinic so doctors don't live in their truck.

What You'll Be Working On

- Continue the full-service medicine our loyal clientele appreciates.
- Build and maintain client relationships and educate on treatment options for all species.
- Manage a diverse livestock caseload from internal medicine, chute work, lameness, reproduction, record analysis as well as provide a full range of pet services.
- 85% beef cow calf, 10% companion animal 5% equine.
- Guide and utilize exceptional trained support staff including in-truck vet assistants.

Qualifications

- Doctor of Veterinary Medicine
- Licensed in SD with Level 2 Federal Accreditation.
- Demonstrate commitment to ethics and integrity.
- Possess excellent interpersonal and communication skills.

What's In It For You

- Salary \$90,000 – 110,000 BOE with bonus opportunities.
- 4-day work week option with emergency coverage shared with owners (avg 40 emergencies/year/doctor and 100% of emergencies done in clinic.)
- Weekly team meetings and doctor rounds to discuss cases and mentor new graduates
- Health, Dental and Vision Insurance
- SIMPLE IRA
- PTO including extra for CE
- VMLRP available
- Licensing and professional fees
- Generous CE & Uniform Allowance
- Housing available in Kadoka
- An opportunity to own your own practice if you are interested.

Ethos Veterinary Health

September 2024

Veterinary Student Externship Program

Our veterinary externship programs offer you an active learning experience where you participate in daily hospital rounds and engage in case discussions, contributing your observations and questions. While primarily observational, you will also assist in these tasks based on your skills and current rotation, gaining practical experience that enhances your understanding of veterinary medicine in the private practice setting

Rotation Diversity:

Participate in outpatient care, emergency management, surgeries, diagnostics, and client interactions.

Learning Opportunities:

Engage in daily hospital rounds, contribute to case discussions, and observe diverse veterinary practices.

Hands-on Experience:

Depending on your skills and rotation, participate in practical tasks with supervision and guidance from our expert veterinarians and veterinary technicians.

Experience Life in Practice:

See the workflows and live the team dynamics of the country's leading emergency and referral hospitals.

DVM Candidate at Mississippi State College of Veterinary Medicine

"I spent a week with at an Ethos Veterinary Health Hospital in Columbia and Hunt Valley, Maryland! I didn't expect Maryland to have so much charm and the crab dip is to die for! I spent a week split between Pet+ER's two hospitals within the Chesapeake Veterinary Referral Center! I had such a blast at both hospitals! They were some of the largest hospitals I have visited so far and offer such a wide range of services for their patients along with an excellent opportunity for learning and mentorship for veterinary students! Thanks Dr. Tag, Dr. Christine Klippen, Dr. Capen, and Dr. Hershner for such a great experience!!"
