## SOUTHWEST MINNESOTA VETERINARY CLINIC

## Our Team

### Doctors

We understand that every doctor has unique needs and preferences. That's why we offer tailored contracts to suit each individual. In addition to our regular services, we provide urgent care after hours to ensure our patients are always taken care of. Our doctors work collaboratively to support one another, seamlessly switching call and coming in when extra assistance is required. This enables all our Veterinarians to maintain a healthy work-life balance. Our doctors take care of each other especially by providing ongoing mentorship.

### Support Team

Our team consists of certified veterinary technicians, skilled veterinary assistants, and exceptional customer service representatives who are utilized to their full potential and training. We understand the importance of building a healthy work-life balance, which is why we prioritize this for our support staff. Retaining our competent and dedicated team is a top priority, and we ensure that they remain up-to-date with the latest medical care advancements through cross-training and continuing education requirements.

## Patients and Services

We truly are a mixed animal practice. We see our share of canine, feline, equine, bovine, small ruminant, some DNR wildlife and the occasional exotic and pocket pet. We offer reproduction health, herd health checks, various small and large animal surgery procedures, wellness and comprehensive examinations. We have full in house lab equipment, equine radiology and dentistry, surgical laser, portable radiology unit, ultrasound and dental radiographs.

**Externships with Hands-On Learning Opportunities Offered**

+

**Working Interviews Welcomed!**

We are looking to add a full-time or part-time associate veterinarian to our team! Candidates should have strong communication skills, be team-oriented with a focus on general medicine, and be comfortable with surgery and dentistry. New graduates are welcome! The candidate must have a DVM and be eligible for a Wisconsin Veterinary License.

Northside Pet Hospital is a full-service companion animal clinic located just an hour and a half away from Minneapolis, MN. Our practice is built on the profound human-animal bond, and we are dedicated to nurturing this bond with our patients, who include cats, dogs, birds, and exotics.

At Northside Pet Hospital, we are a positive, hard-working veterinary practice with a compassionate team. We are committed to providing high-quality care, client education, and communication. Our practice is well-equipped with a full in-house laboratory, digital radiography, ultrasound, laser surgery, digital dental radiography, and a rehabilitation suite for our patient's needs.

David Menard, DVM, CCRT, and Peter Helmbrecht, DVM, have a combined 60+ years of veterinary experience! They are more than willing to mentor a DVM with less experience and welcome the wisdom that a more experienced DVM may bring. We offer a competitive salary (\$90,000-\$120,000) and excellent benefits, including PTO, continuing education, pet benefits, liability and health insurance, license renewals, and an IRS Employer student loan repayment plan up to **\$5250.00** tax-free until December 2025.

## Full-time mixed animal veterinarian: Winner South Dakota

Animal Clinic Ltd. is a busy mixed animal practice located in south central South Dakota, in the small town of Winner. The practice includes 3 veterinarians, 2 licensed veterinary technicians, 1 unlicensed veterinary technician, 2 veterinary assistants, several part time technicians and assistants and an office manager. Our caseload is approximately 90% beef cow/calf, backgrounding and feedlot. The remaining 10% is divided between small animal, equine, small ruminant and swine.

The clinic is made up of almost 10,000 sq ft under roof. We have a main clinic housing our dispensary showroom, offices and small animal facilities which covers 3,200 sq ft. Our large animal haul-in facility is enclosed and is 2,400 sq ft. The unloading facility and outdoor pens are 900 sq ft and are under roof. We also have a detached equine clinic about 80 yards away which is 3200 sq ft. The facility was purpose built in 2010.

Our equipment list includes IDEXX CBC, blood chemistry, sedivue and SNAP analyzer. Digital radiology for small animal and equine. Dental radiography and Invodent dental machine, Anaesthetic monitoring system, Bair Hugger temperature monitoring system. 14 Ultrasound machines including IBEX, Aloka and Reprocsans, 10 Lane IV and 2 Lane V Pulsator electro-ejaculators, 5 Silencer and 1 Cow Country hydraulic squeeze chute, Powerfloat equine dental equipment and a padded knockdown stall for equine.

Our small animal services include routine medicine and surgery. We also provide routine equine medicine and surgery services along with more extensive reproduction and dental services. Our bovine cattle practice is very seasonal, due primarily, to the true four-season weather pattern that we experience. We diagnose pregnancy by either palpation or ultrasonography in over 60,000 head of cows or heifers, we pelvic measure over 5,000 heifers, vaccinate for brucellosis about 12,000 heifers and fertility test over 9,000 bulls annually.

We offer an emergency after hours service to all species. On call roster is shared equally amongst the veterinarians. A successful applicant would be interested in all aspects of mixed animal practice with a strong interest in beef cattle. Mentoring, compensation and benefits would be second to none for the right candidate. Partnership opportunity is also available in the future. Please do not hesitate to contact us 605-842-1854 or [drlrawlings@gmail.com](mailto:drlrawlings@gmail.com)
