STALLION SERVICE CONTRACT

Date_____________________

This contract certifies that a breeding exists for the 2015 season, between Steven or Emily Jo Schultz (Stallion Owner), Lloyd Veterinary Medical Center at Iowa State University (LVMC at ISU, Stallion Management) and ___________________________ (Mare Owner as shown on registration papers), for the following mare:

Mare Name: ___________________________ Breed: ___________________________
Registration #: ________________ Age: ________________ Color: ___________________________

To the stallion, Macs Good N Plenty, registration #3614932 for a stud fee of $1100. A non-refundable booking fee of $400 is due when this contract is signed and returned; the remaining balance of the stud fee is due prior to semen shipment or the mare being inseminated on-site at LVMC at ISU.

PLEASE MAKE STUD FEE PAYABLE TO:
Steven or Emily Jo Schultz

ATTENTION: Is this contract utilizing a rebreed owed from the 2014 season? Y N

The following are the terms and conditions of the contract:

1. A separate Shipped Semen & Breeding Contract will be signed between Mare Owner and LVMC at ISU which will outline all fees for on-site breeding at LVMC at ISU and shipped semen fees.

2. The Stallion Owner & Management agree to diligently try to settle the mare and/or provide quality tested semen for shipment. However, if the mare does not settle, neither the Stallion Owner nor Stallion Management will be held responsible.

3. If for any reason the mare is unable to be settled in a reasonable period of time another mare may be substituted during the same season, with the approval of the Stallion Owner.

4. This breeding comes with a live foal guarantee. A “live foal” shall stand and nurse (or be hand fed), for a period of 72 hours. If the mare is proven barren, aborts her foal, the foal is stillborn or the mare dies prior to foaling, the Mare Owner shall be entitled to return privileges. This will apply only if the Stallion Owner is notified within one week that the mare has been confirmed not in foal or foal/mare has died. This notice must be accompanied by a veterinarian’s statement. Under the foregoing circumstances and upon receipt of the specified notice, it is agreed:
   a. Stallion Owner shall give to Mare Owner a return privilege to the stallion the following year only and to the same mare originally booked (unless otherwise mutually agreed in writing between Mare Owner and Stallion Owner).
   b. If Mare Owner fails to deliver the mare (or a substitute mare if mutually agreed as stated above) for re-breeding the following year, then any and all fees paid shall be forfeited; the right to rebreed is thereby cancelled and the Stallion Owner is released from any further obligation.
   c. If the mare dies or becomes unfit to breed then another mare may be substituted if approved by the Stallion Owner.

5. There will be a $250 rebreed fee payable to Steven or Emily Jo Schultz prior to return privileges.

6. It is further agreed that should the above stallion die or become unfit for service, frozen semen may be offered at the Stallion Owner’s discretion. There will be no refund of any part of the stud fee.

7. The Breeder’s Certificate will be issued only after all stud fees, veterinary/board and/or semen shipping expenses have been paid.
8. Mare Owner understands that the Stallion Owner will not be held responsible for injury, escape, sickness or death to mare and/or foal and assume no liability for injury or death to any person associated with Mare Owner.

9. This contract is not transferable and Mare Owner may not assign any rights or delegate any duties without the written consent of the Stallion Owner. In the event the mare is sold or otherwise disposed of prior to the birth of the foal, the “Live Foal Guarantee” will no longer be valid (unless Stallion Owner is notified of transfer of ownership).

10. All semen requests should be directed to Stallion Management.

11. Pregnancy status must be reported to Emily Jo Schultz by August 1, 2015 in order for the mare to be listed on the Stallion Report. After this date, Mare Owner is responsible for late filing fees associated with listing the mare on the Stallion Report.

In addition to the Stallion Service Contract with Steven or Emily Jo Schultz the Mare Owner agrees to the following terms and fees.

This contract must be signed and returned prior to semen shipment or insemination of the mare on-site at the LVMC at ISU.

The breeding season will open February 1 and close June 30. Collection days are Monday, Wednesday and Friday.

The Stallion Management agrees to diligently try to settle the mare and/or provide quality tested semen for shipment. However, if the mare does not settle, neither the Stallion Owner nor Stallion Management will be held responsible.

Please circle one: On-site breeding at LVMC at ISU OR Shipping semen OR Pick-up semen

**ON-SITE BREEDING AT LVMC at ISU:**
Breeding management package fee (fresh/cooled semen)*- $450/cycle, which includes ultrasound examinations and semen collection and artificial insemination for ONE heat cycle

*Package does NOT include board which is $25/day dry mare & $28/day wet mare
*Package does NOT include the 14-16 day pregnancy check ultrasound examination
*If frozen semen needs to be utilized please contact LVMC at ISU to discuss pricing

Contact ISU LVMC 24 hours prior to anticipated delivery of the mare/foal

1. Mares will not be accepted unless properly halter broke.

2. Stallion Management will exercise judgment in care and supervision of mare and/or foal. A veterinarian will examine mare for normal breeding conditions and will administer medical care as deemed necessary for the health and safety of the mare and/or foal. Such charges shall be paid whether or not the mare is settled. Veterinary and boarding charges will be billed directly to Mare Owner. **All expenses will be paid by Mare Owner prior to mare’s departure from LVMC at ISU. If the mare is to be picked up after hours, prior arrangements for payment will need to be made in the form of a credit card.**

3. Mare shall be healthy, in sound breeding condition and current on all vaccinations (specifically EWT, Flu/Rhino) and deworming and have a negative coggins test within the last 12 months. The LVMC at ISU attending veterinarian retains the authority to vaccinate and/or deworm any mare presented to LVMC at ISU for breeding should they deem appropriate; all charges will be billed directly to the Mare Owner.

4. Additional fees including but not limited to uterine lavage, uterine culture, uterine antibiotic treatments, ovulatory agents, caslicks, sedation, etc. are NOT part of the breeding management package fee and will be billed to Mare Owner separately.

5. I understand that the attending veterinarian and employees of Stallion Management will not be held responsible for injury, escape, sickness or death to mare and/or foal and they assume no liability for injury or death to any person associated with Mare Owner.
COOL SHIPPED SEMEN:
Cooled Semen Overnight FedEx: $300/mare/shipment
Same Day Counter-to-Counter: $300/mare/shipment plus applicable shipping charges dependent upon destination
Cooled Semen Pickup: $250/mare/pickup

{Frozen semen will be available upon request throughout the year; please call LVMC at ISU for shipping fees.}

1. Semen orders MUST be placed and/or confirmed NO LATER than 9 AM CST on the day of collection (Monday, Wednesday and Friday). It is the responsibility of the Mare Owner to make sure their attending veterinarian knows the order deadline and follows it as requests for semen after 9 AM will not be honored. Priority will be given to requests with the most advance notice. All semen requests must be made to LVMC at ISU.

2. Should there be a lack of semen for all requests on any given collection day, Stallion Management has the authority to dictate which mares receive the semen. Priority is given to mares at LVMC at ISU facility. If available, frozen semen will be offered, at the discretion of the Stallion Owner.

3. Collection & shipping fees MUST be paid prior to semen shipment; if, for whatever reason, payment cannot be obtained prior to the shipping deadline (2 PM) the semen will not be sent…NO EXCEPTIONS. LVMC at ISU accepts Visa, MasterCard and Discover; this credit card will be maintained on file as a shipping container deposit (see below).

4. If an Equitainer is utilized, it must be returned to ISU LVMC within 4 business days or the Mare Owner will be charged $300 on the above provided credit card. Disposable cardboard boxes are not required to be returned.

5. LVMC at ISU cannot be held liable for semen once the shipment leaves the LVMC at ISU facility.

6. Please fill out the attached Shipped Semen Request Form.
