

IMPORTANT FINANCIAL AID **ANNOUNCEMENT**

Sent on Behalf of ISU Office of Student Financial Aid

Greetings,

Financial aid offers for the fall 2021-spring 2022 school year are expected to be available in AccessPlus under “Financial Aid” then “Financial Aid Offer” on Tuesday, June 15th. This is later than anticipated as a result of the Board of Regents, State of Iowa, not meeting until early June to propose the tuition and fee assessment for the upcoming school year. In the event the proposed tuition and fees change later in the summer by a Board of Regents vote, your financial aid offer will be revised.

Please contact me if you have any questions.
