YOU ARE INVITED!

VMAA College of Veterinary Medicine Homecoming Event Saturday, Nov 04, 2023

Friends! Tours! Football! Grill Team Meal!

Program: A brief program will feature remarks from Dean Dan Grooms, college representatives, and Dr. Jeff Cornick, VMAA President-Elect. Student-led college tours will be available, and there will be plenty of time to visit with old and new friends. We will open the doors three hours before game time. The kick-off time will be announced by ISU Athletics approximately ten days before game day.

Food and Beverage: Join us for the catered meal featuring the AABP Student Grill Team. Tickets are \$22 per person, children 4-10 are \$15 per person, and free for ages three and under. Advance orders are required for the meal, ideally before Oct 20.

Football: The Iowa State Cyclones play the Kansas Jayhawks on Saturday, Nov 04 (time to be determined). VMAA's purchased block of football tickets is on a first-request basis. Tickets are \$45 for VMAA members and their guests and \$56 for non-members. Section H, Rows 1-7 towards Sukup Sideline. You may pay your 2023 VMAA \$50 membership for the discounted member rate. Our form also allows you to prepay your 2024 membership if convenient. Your football and luncheon tickets will be available to pick up at the College of Veterinary Medicine Main Entrance (by the flagpole) on Saturday, Nov 04, 2023, within 3 hours of game time.

Location: The Homecoming event occurs at the College of Veterinary Medicine, 1800 Christensen Drive. IVMA sponsors the adult beverage service, which will be in the commons area; CVM provides the site, facility tours, and shuttle bus services. Game and reception food tickets can be picked up inside the Main Entrance (by the flagpole) at the VMAA table.

Parking: Enter at Entry B off South 16th Street for free parking in Lot 96, south of the college. The ISU College of Veterinary Medicine sponsors free shuttle buses for transportation to the stadium. Important: Free parking is available in the front bay of Lot 96, southwest of the main entrance to the College of Veterinary Medicine. Due to construction at the Scheman Building, the Vet Med lots will be used for athletic donors rather than the public. The college has secured an area of Lot 96 for Vet Med Homecoming attendees. We will email your parking pass and a map of the designated parking area two weeks before Homecoming.
